Year Founded	1999
Service Area	Albany County Schenectady County Saratoga County Warren County

Our Company...

For over a decade, ProTurf has designed and maintained the capital region's landscapes and hardscapes, in addition to offering a full-service snow and ice management service. Our vision is to be the capital region's premiere property maintenance and enhancement service provider.

ProTurf is locally owned and focused on the individual needs of our clients. We do not offer a one-size-fits-all solution, but rather customize a package of maintenance services which fit the needs of you and your property.

Property Maintenance Services...
